

Lesson Subscription Policy & Agreement

1. Subscription Service

This agreement outlines the terms for a weekly lesson subscription service. Your subscription entitles you to one scheduled lesson per week with your instructor.

2. Billing & Payment

Payments are billed on a monthly basis.

The monthly fee is due in advance, preferably on the same calendar date each month (e.g., the 1st, the 15th). We will agree on your preferred billing date upon sign-up.

Invoices will be sent via email, and payment is required to maintain your reserved time slot.

3. Understanding "Weekly Lessons" & Monthly Variations

As lessons are scheduled weekly, the number of lessons in a calendar month will typically be either four (4) or five (5), depending on how the weeks fall. Your monthly fee is calculated as a flat rate for this ongoing weekly service, not as a per-lesson fee, and remains consistent regardless of whether a given month has 4 or 5 scheduled sessions.

4. Included Resources & Online Library

Your subscription includes exclusive access to my online teaching library. This digital resource contains a curated collection of sheet music, technical exercises, original etudes, practice guides, and backing tracks to support your learning between lessons.

Access details will be provided upon enrollment.

5. Student Opportunities & Community

Your subscription includes access to community events designed to enhance your musical journey. You are warmly invited to participate in:

Monthly Jam Sessions: Informal group playing opportunities held once per month.

Trimonthly Recitals: Formal performance events held every three months.

Participation in these events is optional but highly encouraged.

6. Cancellation & Rescheduling by Student

If you need to cancel or reschedule a lesson, a minimum of 24 hours' notice is required.

With timely notice (more than 24 hours), I will make every reasonable effort to reschedule the missed lesson within the same billing period or provide a complimentary video lesson to cover the planned material.

Lessons cancelled with less than 24 hours' notice are forfeited and cannot be rescheduled or refunded, except at the instructor's discretion in cases of genuine emergency.

7. Cancellation & Rescheduling by Instructor

In the rare event that I need to cancel or reschedule a lesson, I will provide you with as much notice as possible.

I will make every effort to offer a rescheduled time or provide an alternative online lesson or supplemental study materials to ensure your progress continues uninterrupted.

8. Termination of Subscription

Either party may terminate this subscription agreement by providing at least two weeks (14 days) written notice (e.g., via email). Upon termination, access to the online teaching library and community events will conclude at the end of the active billing period. Any pre-paid fees for lessons beyond the notice period will be refunded.

By commencing lessons, you acknowledge that you have read, understood, and agree to the terms of this Lesson Policy & Agreement.
